

## **PROPOSAL OF THE BOARD OF DIRECTORS OF BE GROUP AB FOR AUTHORISATION OF THE BOARD TO RESOLVE ON TRANSFER OF THE COMPANY'S OWN SHARES**

---

The Board of Directors proposes that the Annual General Meeting shall resolve to authorise the Board to resolve on transfer of the company's own shares in accordance with the following conditions:

1. The authorisation may be exercised on one or several occasions, though not exceeding past the Annual General Meeting 2020.
2. Transfer may be made of maximum 26,920 shares, equivalent to the company's existing holding of own shares.
3. Transfer may be made with a deviation from the shareholders' preferential right.
4. Transfer may be made as payment of the total or part of the purchase price at an acquisition of a company or business or part of a company or business, where the consideration shall be equivalent to the estimated market value of the share. On such transfer, payment may be made by assets contributed in kind or by set-off of a claim against BE Group.
5. Transfer may also be made against cash payment by sale on Nasdaq Stockholm, at a price within the price interval that may be registered at any given time, i.e. the interval between the highest purchase price and the lowest sales price at the time of transfer.
6. The Board shall be entitled to determine the other terms and conditions of the transfer.

The reason for the proposal and the reason why transfer of shares may be made with deviation from the shareholders' preferential right is to enable financing of minor company acquisitions by the utilisation of the company's own shares.

The company's holding of own shares is equivalent to approximately 0.2 percent of the total number of shares.

### **Voting majority**

The resolution by the Annual General Meeting on the authorisation of the Board of Directors to resolve on transfer of the company's own shares is subject to the support by shareholders representing at least two-thirds of both the number of votes cast and the shares represented at the Meeting in order to be valid.
